The 2021 Village of Niles vehicle stickers are set to go on sale June 1, 2021. Vehicle stickers are valid from July 1, 2021 to June 30, 2022. The application that residents and businesses receive will promote online bill pay to limit in-person contact. As a reminder, the Village has made some changes to the process for obtaining a vehicle sticker for seniors. Seniors who have a pre-printed application with an age of 62 or older on the application are no longer required to show proof of identification. This change will allow senior applicants to mail payment to the Village, pay online or pay in person without proof of I.D. Residents who turned age 62 during the prior year must still show identification once to obtain the senior discount. The Village's software program allows online payments in the form of a debit/credit card. The system is called V-Pay and can be found on the Village's website at: vniles.com/OnlineBillPay as of June 1, 2021. There is no fee to use this service and the stickers will be mailed out within a few days of receipt.

In addition to their regular business hours, the Village's Finance Department will be open Saturday, June 19, 2021 and Saturday, June 26, 2021 from 8:30 A.M. until 12:00 noon for residents to purchase their vehicle stickers in person.
