VILLAGE OF NILES ANNOUNCES 2023 VEHICLE STICKER INFORMATION

The Village of Niles' 2023 vehicle stickers are set to go on sale June 1, 2023. Vehicle stickers are valid from July 1, 2023 to June 30, 2024. All vehicles registered in Niles, no matter where they are parked, must be registered and display a vehicle sticker by July 1. Business vehicles owned or operated for businesses licensed or located in the Village of Niles also need to purchase vehicle stickers.

Those that do not purchase and display vehicle stickers by July 1 may be subject to a ticket and a late fee. The Village appreciates the cooperation and assistance of the public in this matter, as last year alone, the Village lost approximately \$500,000 in revenue from vehicle owners not purchasing vehicle stickers as required.

Residents who are age 62 or older by June 30, 2023 are eligible for a senior discount. A valid driver's license must be shown once to receive the discount for the first time, then it will remain on their account in future years.

To avoid any lines, fines, or fees, vehicle stickers conveniently can be purchased online at: vniles.com/OnlineBillPay as of June 1. There is no additional fee to use this service, and the stickers will be mailed out within a few days of receipt.

In addition to regular business hours, the Village's Finance Department will be open Saturday, June 17, 2023 and Saturday, June 24, 2023 from 8:30 a.m. until 12:00 noon for residents to purchase their vehicle stickers in person.
