

Niles Family Services

Niles Family Services is the counseling division of the Village of Niles' Human Services department. We were established during the 1970s to provide Niles residents with therapeutic counseling, financial counseling and to assist with providing food from our food pantry.

Food Pantry

We are dedicated to our community and wish to help as much as we possibly can. One way in which we do this is by providing Niles residents with a monthly and emergency food pantry.

Currently, we serve approximately 40 families per month who depend on this food to sustain life.

We are asking you to please recognize your ability to make a positive impact in someone else's life.

Please help us fill our shelves with food so that we can help improve the lives of those in need.

We thank you in advance for your attention and generosity!

*"Be the change you want to see
in the world"*

Goal of Niles Family Services

Niles Family Services strives to enhance the quality of life for the residents of Niles as we believe that each person deserves to live the best life possible.
