Child Endangerment Arrest

Niles, IL - On 7/2/2019 at approximately 3:49 p.m. the Niles Police Department responded to the report of a child left inside a car in the parking lot located at 5740 W. Touhy Avenue. Upon arrival Officers met the complainant a 23 year old male from Chicago, who is a supervisor for Fresh Farms Grocery Store. He stated he observed a small child locked inside a grey Infiniti.

The complainant became increasingly worried about the child's well-being after he observed the vehicle was not running and the child was sweating profusely. The complainant was able to reach through a partially rolled down window and unlock the door. He took the child inside the business and provided the child with some water. The Niles Fire Department arrived on scene to evaluate the child, who is male, 2 years of age. It took Officers twenty minutes to locate the mother, when she returned to her vehicle. The outside temperature was 94 degrees. The interior of the vehicle was estimated to be above 110 degrees. The mother was unable to explain why she left her child in the vehicle. The Niles Fire Department treated and released the child to his father, who was called to the scene.

The mother was taken into custody and subsequently charged. The Officer also made a notification to the Illinois Department of Children and Family Services, which created a case #13769397.
